2016 Summer School - Algebra 2A & 2B Course(s)

The 2016 Algebra 2A & 2B summer school courses are a traditionally taught course designed for students to earn up to a full math credit towards their 4-year requirement. Students may enroll in either the first semester, second semester, or both. These classes are being offered for any student that failed a semester of Algebra 2A and/or 2B previously or for any student that is behind in math credits and would likely be forced to take multiple math classes to graduate their junior or senior years. **Any student that will be a senior in the fall of 2016 and hopes to graduate in June 2017 that currently has 2.0 math credits or less is strongly encouraged to take both the Algebra 2A & 2B courses!!!**

Where: Coopersville High School

When: Monday – Friday, 8:00 – 11:30 AM

Dates: June 13 – July 1 – Algebra 2A
July 11 – July 29 – Algebra 2B

Course Descriptions:

Algebra 2A & 2B– These courses, in conjunction with Algebra 2C, will cover the Algebra 2 content and satisfy the state requirements. Topics of equations, inequalities, linear functions, systems of linear equations and inequalities, quadratics, polynomial and polynomial functions, powers and radicals, and exponential and logarithmic functions will be covered. **Cost - $100 per semester for district students**
Out-of-district students - $150

Algebra 2A & 2B Summer Guidelines

Payment – Payment for the course is due at the time of registration. Checks should be made payable to **CAPS** and submitted with the course registration to the office. Payment is due by June 10, 2016 for Algebra 2A, and by July 1, 2016 for Algebra 2B. If payment or other arrangements are not made by the first day of class, the student will be dropped from the course.

Time Schedule – Classes will begin promptly at 8:00 AM each morning. Classes will end no later than 11:30 AM. No school transportation will be provided. Please arrange for all rides according to the class schedule.

Attendance – Due to the condensed time frame for this course, attendance is mandatory. If a student is absent more than once each semester, the student is in danger of losing credit for the course.

Tardies – Classes begin promptly at 8:00 AM. Students are expected to be in class, ready to learn, at that time. This also includes returning from class breaks. Beginning with the third tardy, students will be charged with an absence (i.e. every 3 tardies = 1 absence). Any tardy beyond 15-minutes will be recorded as an absence.

Discipline – It is expected that students will follow normal school rules and conduct themselves in a socially acceptable manner. All school dress codes are in effect during the summer sessions. Any student that is removed from class for unacceptable behavior or dress will be sent home and an absence will be recorded.

Substance Abuse/Weapons – Any student found in possession of or under the influence of any banned substance or in possession of a weapon of any form will be immediately removed from the summer school program and could face further school disciplinary action. No refunds will be provided.

Coursework – This course will require work outside of the class meeting times. Assignments are expected to be completed on time and submitted by the due date. Late or incomplete work will not be accepted without prior permission from the instructor. Assessments will be given periodically throughout each course with an end of course assessment on the last day of each semester. Classes may end early on the last day of each semester once a student has completed their final assessment.

Enrollment Min./Max. – This class is subject to student interest and enrollment. A minimum number of students are needed for CAPS to offer these classes. Class may also be capped once it reaches a maximum number.

Coopersville Area Public Schools
2016 Summer School
Algebra 2A & 2B Registration Form

Student:_____ DOB: _____/_____/_____

Counselor:_____ Home District:_____

Algebra 2A _____ (class meets June 13 – July 1)

Algebra 2B _____ (class meets July 11 - 29)

Parent(s)/guardian(s):_____

Address:_____ City:_____

Zip Code:_____ Phone: _____ Email: _____

The program will meet from 8:00 – 11:30 AM each day. Students will need to be in attendance at 14 of the 15 sessions each semester to earn credit. In addition, students will need to meet classroom rules and expectations, complete coursework with a passing grade, and demonstrate appropriate behavior.

Students will be expected to follow all rules and policies of the Coopersville Area Public Schools, as well as the classroom rules and regulations established by the teacher. Tuition is due prior to the start of the first class. Students who do not successfully complete the program or who are removed from the program will not have their tuition refunded. There will be no appeal process for student removal from the course.

**I understand the rules and regulations for summer school and the importance of attendance in such a condensed time frame.
