Examples include but are not limited to school psychologists and school social workers.

Section 1.4 Board Defined. The term “Board”, when used hereinafter in this Agreement, unless otherwise stated, shall refer to the Board or designee which shall be in most circumstances the Superintendent or his/her designee.

Section 1.5 Prohibitive Bargaining. The Board agrees not to negotiate with any other labor organization other than the Association with respect to employees included in the recognized collective bargaining unit for the duration of this Agreement.

Section 1.6 Legal Rights. Nothing contained herein shall be construed to deny or restrict to any teachers/ancillary staff, the Association, or the Board, rights he/she or they may have under any state or federal laws or regulations.

2.0 Association, Teachers/Ancillary Staff, and Board Rights

Section 2.1 Association Rights.

2.11 School Facilities. For two hours following termination of the scheduled work day, the Association shall have the right to reasonable use of school facilities and equipment, and to materials and supplies at reasonable cost; after such period it shall have the same use as any other community organization as long as the Association shall not be on strike.

2.12 Mail Service. Campus mail service and staff lounge bulletin board space shall be available for matters relating to official Association business, which identifies the Association or its representative as author or distributor.

2.13 Association Access. The Association may authorize Representatives who shall be able to conduct official business on Board property at times which do not interfere with the student contact times of bargaining unit members. In addition, the Association may authorize representatives not employed by CAPS who shall be able to conduct official business on Board property at reasonable times providing they make their presence known at building administrative offices and do not interfere with normal school operations. In the event any authorized representative fails to comply with the aforementioned restrictions, the administrator may at his/her discretion remove the representative's rights accorded under this paragraph for no longer than one week for his/her building.

2.14 Association Information. Association representatives shall have access, in response to reasonable requests and at reasonable times, to information concerning the financial resources of the district; budgetary requirements and allocations, and such other information as will assist the Association.

2.15 Voluntary Association Membership. Each bargaining unit member may join the Association and pay union dues or decide not to join the Association and not pay union dues.

2.16 Association Leave. On advance notification of not less than forty-eight (48) hours, as many as three teachers/ancillary staff at any one time may be certified as Association representatives and shall be granted leave to conduct official Association business. Up to fifteen (15) fully paid days per school year shall be allowed for this purpose. The total number of days used by the Association representatives shall not exceed fifteen (15) days per school year. Section 2.2 Teacher/Ancillary Staff Rights. The Board and the Association agree to abide by Act 379 of the Public Acts of Michigan for 1965 and to all the amendments thereto and to all the applicable laws and statutes pertaining to teachers'/ancillary staff rights and responsibilities. They further agree that they will not directly or indirectly discourage or deprive or coerce any teachers/ancillary staff in the enjoyment of rights granted to him/her under the laws.

Section 2.3 Board Rights. It is agreed that all rights, which ordinarily vest in and have been exercised by the Board, including those established under the Michigan School laws or any other State or Federal laws or regulations, shall continue to vest exclusively in and be exercised exclusively by the Board.

3.0 Professional Compensation

Section 3.1 Schedules. The salaries for employees covered by this Agreement are set forth in Schedule A. The additional compensation for extra duties are set forth in Schedule B. The insurance fringe benefits are set forth in Schedule C. The school calendar is set forth in Schedule D. Schedules A, B, C, and D are attached hereto and

incorporated herein by reference. Schedules A and C are based upon employment and work for a full school year. Schedule B is based upon employment and completion of the duties for the extra assignment. An employee who works less than a full school year or less than a full day's schedule shall receive an appropriately pro-rated salary determined by the days actually worked compared to the number of days required for a full school year.

Schedule B (Pay level granted according to schedule B salary charts)

3.11 Part-Time Bargaining Unit Members/Less than Full-Time Bargaining Unit Members.

Effective July 1, 2019 all bargaining unit employees assigned to an 80% FTE schedule or more, shall be eligible to receive the Board's hard cap contribution towards health care costs as identified in Schedule C Benefits or may elect to receive cash-in-lieu. Employees electing cash-in-lieu must sign a statement certifying that they have access to alternate coverage through another source, such as a spouse's employer, and will, upon request, provide verification of alternate coverage.

Employees assigned to a schedule of more than 40% FTE, but less than 80% FTE, shall receive a pro-rata contribution of cash-in-lieu based upon the percentage of FTE assigned.

Employees scheduled 50% and above are eligible to receive 100% of Pak B benefits. Employees scheduled 49% and below, will not be eligible for Pak B benefits.

All bargaining unit members who are full-time or less than full time shall be expected to attend all staff meetings, professional development activities, conferences, and other required functions. Less than full-time teachers shall have leave days pro-rated based on their percentage of scheduled time (example: 40% assignment receives 40% of accrued days).

3.12 Mentor/Mentee

3.12(a) A committee comprised of two members of the Administration and two members of the Association shall be responsible for determining the mentors each year.

3.12(b) A list of possible mentors shall be solicited by the Board through the annual faculty intent forms. In any year, the Board shall select three names of mentors for each mentee. The Board and the Association may eliminate no more than one name from the list. The Board shall appoint a mentor from the remaining list of candidates. In the event there are no bargaining unit members interested in filling a mentor position, the mentor may be appointed from outside the bargaining unit.

3.12(c) The mentor teachers/ancillary staff within this bargaining unit shall be a tenured teacher/ancillary staff, excluding positions not covered by the Tenure Act (i.e. speech pathologist, psychologist, social worker).

3.12(d) Participation as a mentor shall be voluntary.

3.12(e) Every effort will be made to match mentor teacher/ancillary staff and mentees who work in the same building or have the same area of certification or work assignment (e.g. school social worker).

3.12(f) A mentee shall only be assigned to one (1) mentor at a time unless mutually agreed upon between the Administration and the Association.

3.12(g) For each school year, a mentor teacher/ancillary staff shall be paid \$600 for their assistance to a mentee, with an additional \$100 to be paid to mentors of first-year teachers/ancillary staff. Payment shall be paid at the end of each school year upon documented completion of all required

documents. Such documentation must be submitted to the Superintendent no later than the last scheduled day of instruction.

Section 3.2 Interpretation of the Salary Schedule A.

3.21 Certificate Column. A teacher/ancillary staff shall be placed on the proper column of Salary Schedule A and receive an appropriately pro-rated salary adjustment upon receipt by the Board of official documentation showing completion of requisite semester hours, or equivalent, of degree, or of certificate. An appropriately pro-rated adjustment for column changes shall be made only at the beginning of a semester and shall be retroactive only when college certification is received on or before October 1st for the first semester, and March 1st for the second semester.

3.21(a) Column I - BA/BS Prov/Perm shall mean the completion of a Bachelor of Arts or a Bachelor of Science degree from an accredited college or university.

3.21(b) Column II - MA/MS Permanent Certificate shall mean the completion of a Master of Arts or Master of Science degree from an accredited college or university.

3.21(c) Column III - MA/MS + 30 Permanent Certificate shall mean thirty (30) semester hours or equivalent credit hours which are successfully completed from an accredited college or university after the completion of the MA/MS degree and the completion of the requirements for and the issuance of the college or university recommendation for a provisional certificate or its equivalent.

3.21(d) Continuing Certificate and Permanent Certificate are interchangeable terms which are in contrast to Provisional, Temporary, or Initial Certification.

3.22 Salary Levels. Each salary level may represent one full school year of employment with the Board. Advancement from one salary level to the next may occur upon completion of a full school year of employment. For purposes of this paragraph only, a full school year is defined as one school year in which the employee works more than one-half of the number of calendared duty days in the school year or more than fifty percent (50%) of the hours scheduled for the position in which the employee works. Credit for experience prior to employment with the Board shall be given for each year satisfactorily completed. For specialty or hard-to-fill positions, the Board may award additional steps with consultation and discussion with the CEA. The CEA and administration will meet as necessary to discuss positions that require additional consideration. These positions may include any and all positions depending on district need determined by the Board after consultation with the Association.

3.23 Payment for Courses / Tuition Reimbursement.

3.23(a) The district will provide tuition reimbursement of up to a total of thirty-two thousand, five hundred dollars (\$32,500) per year for graduate-level classes at accredited colleges and universities; in programs/courses approved by administration. The specific methods and procedures to allocate this reimbursement shall be determined by the Association. Reimbursement shall not be made unless the employee is a member of the bargaining unit while taking the classes and at the time of reimbursement.

3.23(c) The District shall reimburse each teacher/ancillary staff for all costs and/or fees assessed for the application, addition, renewal and/or reinstatement for up to four (4) teaching certificates, permits, authorizations, endorsements, and/or approvals required by the Michigan Department of Education, the Intermediate School District, or other authorizing agency.

3.24 Pay Periods. The salary payment shall be biweekly on the basis of 26 pays beginning with the first pay period of the school year. Upon notification of retirement, the employee may elect to receive a salary lump sum payment in June.

3.24(a) This provision shall only apply to teachers/ancillary staff working a traditional school year.

3.24(b) Payroll deductions shall be permitted according to the options established by the business office for purposes of direct deposit, purchase of annuities and other tax deferred programs, purchase of retirement credit, charitable contributions and other purposes authorized by the Board. Direct deposit of payroll checks shall be to the institution(s) of the teacher's/ancillary staff choosing.

3.24(c) It is understood the payment for Schedule B (Extra Duty Compensation) shall be made by payment of one-half (1/2) of the total amount at the start of the Schedule B activity and payment of one-half (1/2) of the total amount at the end of the Schedule B activity, if inventory and billing are complete. The success of a team in the MHSAA tournament will not delay payment. The schedule for such payments for the coming school year shall be provided to the Association by August 15 each year.

3.24(d) It is acknowledged that occasionally there may need to be three (3) weeks between pay periods. In such a case, the administration shall notify all CEA members in writing at least three (3) months before such an adjustment will be made. Teachers/Ancillary staff may choose to receive their salary and Schedule B pay by payroll check, by direct deposit to a bank or credit union, or a combination of both.

3.25 Per Diem Rate. In the event of: (1) deductions for absences on calendared duty days not covered by approved leave or (2) additional compensation for employment beyond the calendared duty days, the following method shall be used to compute the per diem rate: total contractual Schedule A salary shall be divided by the sum of days of class attendance, orientation, in-service, grade reporting and legal holidays, which days are part of the school calendar or which occur during the period covered by the school calendar. Per diem rates shall be computed using the method as described above. Legal holidays shall be defined as per the Revised School Code. Such holidays are currently listed as New Year's Day, Memorial Day, Labor Day, Thanksgiving Day, the day immediately following Thanksgiving Day, and Christmas. This means that the Schedule A contract amount will be divided by the total teacher/ancillary staff days plus the holidays. The result is a daily rate of pay.

3.26 Extended Employment Rates. The pay rates for employment beyond the calendared duty days up to a teacher's/ancillary staff first duty day of the next school year shall be based on the salary of the previous school year at the percentage provided for in Schedule B. 'School year' shall be established with the calendar.

3.27 Section 164h. In order to comply with Section 164h(1)(d) of the PA 108 of 2017, the Board shall adopt policies to comply with the statutory provision and shall communicate the details to all bargaining unit members before they take effect.

4.0 School Year, Weeks, Days and Hours

Section 4.1 Teacher / Ancillary Professional Hours. It is recognized that as professionals, teachers/ancillary staff work many hours in addition to the time spent in student contact or at school. Normal professional hours shall be established by each building principal and shall not exceed seven (7) hours and eight (8) minutes per day, including lunch period. Teacher/ancillary professional hours shall include employees arriving at their assigned building at least five (5) minutes before the opening of pupils' regular school day. In addition, the supervising principal shall be able to require a teacher's/ancillary staff presence at reasonable times to meet with parents, including parent-teacher conferences and staff meetings. All faculty members are encouraged to participate fully

in cocurricular activities such as curriculum committees, school improvement teams, and other school and district initiatives. It is mutually understood that not all grades, buildings, departments or teachers/ancillary staff need to work the identical periods during a given day or week.

4.11 Lunch Period. All teachers/ancillary staff shall have a continuous thirty (30) minute lunch period free from assigned duties except as mutually arranged between the teachers/ancillary staff and the administration.

4.12 Staff Meetings Beyond Regular Work Day. Two staff meetings, at which attendance of teachers/ancillary staff is required, may be scheduled monthly and shall not exceed more than one hour beyond the regular work day, as defined above. Any staff meetings canceled may be rescheduled with 1-week notice. Upon mutual agreement between the principal(s) and the faculty involved, the frequency and the length of meetings may be changed. Four district additional collaborative team meetings times per year, to be held immediately following the teacher duty day, not to exceed one hour in length, may be scheduled in consultation between teacher leadership and building administration. These times may be scheduled separately by building and the content of the inservices may vary between elementary and secondary.

4.13 Parent-Teacher Conferences. Each teacher/ancillary staff shall be required to participate fully in parent/teacher conferences in the spring and fall. Conferences shall be of sufficient duration and scheduled at dates and times to maximize attendance by parents. It is agreed that schedules may vary from building to building. Teachers/Ancillary staff who miss conferences for any reason shall make up missed conferences and shall have provided adequate prior notice to all affected parents. All teachers/ancillary staff shall be required to communicate regularly with parents of students (or the students themselves in case of adult or emancipated students) who are in jeopardy of failing a class, marking period, grade, or other failure.

Section 4.2 Staff Meetings During School Day. It is agreed that faculty meetings and reporting pupil progress, including parent-teacher conferences, are a part of the normal instruction duties of a teacher/ancillary staff during the school day. However, scheduled days of parent-teacher conferences shall be included as part of the school calendar.

Section 4.3 School Closings. When in the judgment of the administrative officials authorized to make such decisions, school shall not be opened or school is closed on regularly calendared duty days, no teacher/ancillary staff shall have to report for duty, and there shall be no diminution of pay. In the event a teacher/ancillary staff has received approval for a necessity leave day and school is canceled, the day shall not be deducted from the teacher's accrued leave.

Section 4.4 Calendared Duty Days. Should it become necessary, due to school cancellations or state and federal legislation, to add hours/days to the school calendar to qualify for full state aid, all such hours/days shall be added to the normal school calendar at no additional compensation unless said legislation provides additional funding specifically for said days and hours. In that event, the Association and the Board shall bargain compensation for the additional days and hours. The schedule for all such hours/days shall be mutually agreed upon between the Board and the Association.

5.0 Teaching Loads and Assignments

Section 5.1 Preparation Period. Teachers/Ancillary staff shall have the equivalent of one conference/preparation period per day of not less than 50 minutes. Teachers/ancillary staff who are assigned a split schedule shall receive the prorated equivalent. Such planning time shall be scheduled during the regular student day. Preparation periods shall normally be assigned in unbroken blocks of time, however, the preparation periods may be broken into not more than two small blocks of time as needed or when mutually agreeable between the teachers/ancillary staff

and his/her immediate supervisor provided such agreement does not impact any other teacher/ancillary staff or program. Preparation time in excess of the minimum amount of time may be granted to individuals, teams, departments or buildings as the Board deems fit.

Section 5.2 Purchase of Preparation Period. Whenever it is necessary to increase a teacher's/ancillary staff work load by regularly scheduling a class during the conference/preparation period, that teacher/ancillary staff shall be paid a sum in addition to the regular Schedule A. The amount of additional compensation shall be calculated by multiplying the teacher's/ancillary staff base salary (Schedule A) by 14% times the percentage of the school year the teacher/ancillary staff works the conference/preparation period. Due to inequities between 1st and 2nd Semester, pay for purchase of conference/preparation period shall be calibrated annually to accurately reflect the percentage of school year each semester represents. Purchase of the conference/preparation period shall result in the teacher providing an equivalent period of time for conference/preparation beyond the regular teacher/ancillary staff work day (an extension of the teacher's/ancillary staff work day by the amount of time of the conference/preparation period).

For example:

1st Semester – 43.3% of total 79/180 days

2nd Semester – 56.7% of total 101/180 days

Section 5.3 Substituting. No regularly assigned teacher/ancillary staff shall be used as a substitute without his/her consent.

Section 5.4 Additional Duty Assignments. Additional duty assignments, whether Schedule B or not, shall be voluntary and shared between or distributed among teachers/ancillary staff as equitably as possible.

Section 5.5 Assignment of Extra Duty Assignments. Any additional duty assignment, whether Schedule B or not, may be filled or left vacant at the Board's discretion. The Board recognizes that in many instances it is beneficial to have bargaining unit members fill extra duty assignments. Members shall have the opportunity to apply for any additional duty assignments that is posted. If there are no volunteers from within the bargaining unit who have the capacity or qualifications to fill the assignment, or a more qualified candidate applies, the Board may fill the position in a manner as determined by the Board.

Section 5.6 Lesson Plans. Each teacher/ancillary staff shall maintain a minimum of monthly written lesson plans which indicate course objectives and types of activities for that period of time (i.e., written goals and objectives) and which are to be prepared by the 25th of the preceding month. Further, teachers/ancillary staff shall maintain weekly written lesson plans indicating assignments and methods to be used. It is understood that the weekly plans will diminish during the course of the week. Weekly lesson plans shall be available at all times in the building, and shall be completed by the last school day of the week prior to the week for which the plans are written.

5.61 The weekly lesson plans shall be in a form, which a principal could interpret to a substitute. As an alternative for use by a substitute, there may be made available an alternative set of three-day lesson plans related to course objectives but which could be introduced into the class curriculum at any point.

5.62 All lesson plans are to be the property of the Board.

Section 5.7 Curriculum Development. Teacher/ancillary staff participation in curriculum development is an important function and a professional responsibility. The teachers/ancillary staff and administration shall work cooperatively on curriculum development.

Section 5.8 Paraprofessionals. If a paraprofessional is assigned, he/she shall operate under the direction of that teacher/ancillary staff. The teacher/ancillary staff may provide a written evaluation of the paraprofessional if requested by the Administration.

Section 5.9 Number of Preparations. The School District shall make every attempt to limit the number of preparations a teacher/ancillary staff shall have in any given semester. The number of preparations shall be distributed as equitably as possible within a discipline. Teachers/Ancillary staff teaching in multiple disciplines shall have no more than four preparations unless prior agreement is made with the individual teacher/ancillary staff and the Association.

6.0 Teaching Conditions

Section 6.1 Class Standards. The parties recognize the availability of optimum school facilities for both students and teachers/ancillary staff is desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teachers/ancillary staff is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher/ancillary staff is primarily utilized to this end.

6.11 The Board and Association recognize the relation of physical facilities, class load and teacher/ancillary staff duties to the effectiveness of the education program and agree:

6.11(a) to strive for physical facilities that meet current education and safety standards;

6.11(b) to equalize the class loads of teachers/ancillary staff in comparable areas to the extent practicable, recognizing practices of flexible scheduling such as transitional, resource room concepts and gifted and talented.

6.11(c) to consider only those pupils who are expected to be enrolled for at least one full semester in determining class size of pupil/teacher/ancillary staff ratios;

6.11(d) to facilitate planning, an increase or decrease in the number of classes will take place at approximately the change of semesters, but only if the numbers or ratios change before the end of February.

6.12 Pupil/Teacher/Ancillary Staff Ratio.

The parties recognize that class size and pupil-teacher/ancillary staff ratios are important considerations for the instruction and efficient operation of the district. It is the intent of the Board and the Association to maintain an optimal learning environment for all groups of children; in the event a class size exceeds its maximum, a shared decision making process between the building principal(s) and the faculty may determine a remedy subject to approval by the Association and the Board. The following class sizes, per session, are agreed to:

- | | | |
|----|---------|----|
| a. | K, 1, 2 | 25 |
| b. | 3, 4, 5 | 30 |
| c. | 6-12 | 30 |

When class sizes exceed 25 for Grades K-2, and 30 for Grades 3-12, the Association and Superintendent or designee will meet to seek an appropriate remedy. Remedies may include additional supplies, materials, supplemental materials, carpeting, paraprofessional assistance, or a reduction in class size. When class sizes exceed the maximum of 30 and additional teaching staff is not hired to reduce class size to the contractual limit, the district shall compensate the classroom teacher/ancillary staff with an overload payment for each student in excess of 30. The Board shall have a grace period, from the first day of the overload, of not less than four weeks to resolve class size issues; however, should the class

sizes remain over the stated class size maximums after the grace period, overload payments, if any, shall be payable from the first day of the overload.

Overload payments shall be calculated at the rate of \$5.00 per day per overload student to be paid to the elementary teachers plus \$0.50 per day to be divided equally among elementary specials teachers who are assigned to elementary specials more than 50% of their assignment. Secondary teachers shall receive an equivalent per class period prorated amount equivalent to \$5.50 per day per overload student for secondary teachers. Overload payments will be made as soon as reasonably possible after the last day of instruction in the semester. If requested, teachers/ancillary staff shall complete an overload payment request form and return it to their building administrator no later than the last scheduled teacher/ancillary staff work day of the semester. This section shall not apply to traditionally large group instruction classes, i.e. band, choir, and physical education.

Section 6.2 School and District Planning Processes.

6.21 The provisions contained in this section shall apply to all school or district planning processes that directly affect the working conditions of Association members.

6.22 In the event that school or district planning processes or the application thereof violates the collective bargaining agreement, the collective bargaining agreement shall prevail unless the Board and the Association agree to waive the affected section(s) of the collective bargaining agreement.

6.23 Any provision(s) of a school or district planning process or application thereof affecting wages, hours and/or other terms and conditions of employment, in violation of the collective bargaining agreement, must have the approval of the Association prior to being implemented.

6.24 Both parties agree that a collaborative approach to school and district planning is desirable. Therefore, at the request of either party, both parties agree to meet and discuss the implementation and provisions of state and federal laws, if not otherwise addressed in this Agreement.

Section 6.3 Teacher/Ancillary Staff Participation. The Association agrees that the educational process would benefit from teacher participation in the affairs of the various organizations within this school district.

Section 6.4 Teachers'/Ancillary Staff Facilities. The Board shall continue to provide adult restrooms, lunch rooms and work areas separate from those used by students.

Section 6.5 Special Education. The Administration will provide all affected bargaining unit members access to IEP information within parameters of confidentiality.

Section 6.6 Health and Safety. The Board and the Association recognize that the health and safety of students and staff is a shared responsibility. Therefore, both parties agree to maintain an open dialogue when any concerns about health and safety arise.

6.61 Student Health Services. The Board and the Association recognize that requiring an untrained or hesitant employee to perform student health services is not desirable. Accordingly, the parties agree that, should problems arise regarding the provision of such services by any teacher/ancillary staff, they will promptly confer in an effort to resolve such problems.

6.62 Safety Conditions. When a room, building or area is judged by authorized, qualified personnel, as determined by the Board, because of its conditions, to create a health or safety hazard, the Board shall take action to correct the hazard. Teachers/Ancillary staff shall report, in writing, all suspected instances of such hazard to the building administrator with a description of the potential hazard the condition poses.

Section 6.7 Internet/Intranet.

6.71 Acceptable Use Committee. If the parties agree to form an Internet/Intranet Acceptable Use Committee, there will be Association and Administration representation.

6.72 Liability for Student Acts. The parties agree that bargaining unit members who exercise reasonable precautions, as defined by the Board, will be released from liability to the extent allowed by law and will not be disciplined for inappropriate acts committed by students with regard to Internet/Intranet use, including, but not limited to, information retrieved from the Internet by students in violation of Board policy, federal, state, or local law; a student's inappropriate use of electronic mail communication in violation of Board policy or any federal, state, or local law; and a student's design of a Web site in violation of Board policy or any federal, state, or local law.

6.73 Privacy. The parties recognize that there is no legitimate expectation of privacy in electronic mail communications.

7.0 Transfers of Teacher/Ancillary Staff

Section 7.1 Definition of Transfer. The word "transfer" shall mean change from existing or original assignment to a different:

7.11 Building assignment.

7.12 Grade Level Assignment in Grades K-5.

7.13 Subject Area Assignment.

7.14 Non-Classroom Assignment such as librarian, guidance counselor, itinerant personnel, instructional coach, interventionists, etc.

7.15 Special Education assignment.

Section 7.2 Involuntary Transfers.

Section 7.21 Involuntary Transfers. Teachers/Ancillary staff shall be informed by the Superintendent/HR prior to involuntary transfers or assignments within the system, and the reasons for such transfer shall be given in writing upon request. It is not the policy of the board to effect indiscriminate or widespread transfer of teachers/ancillary staff within the system on an involuntary basis. However, a teacher may be transferred by the Superintendent/HR when it is determined that such a transfer is in the best interest of the school and the students.

Section 7.22 If a transfer occurs, the teacher/ancillary staff shall be granted a personal interview with the Superintendent or his/her representatives and shall have the opportunity to discuss the transfer and the reason such is required.

Section 7.23 No such transfers shall take place after August 15th of the affected school year. This section shall not apply to transfers made as a result of Section 12.3 Layoff or to transfers required as a result of the implementation of state or federal laws.

Section 7.3 Voluntary Transfers. Teachers/Ancillary staff may voluntarily agree to exchange positions for which they are certified. Any such exchange shall be for a specified length of time and mutually agreed upon among the teachers/ancillary staff, their building administrator(s), and the Superintendent/HR. Teachers/Ancillary staff shall return to their original position after the specified length of time has expired or is mutually agreed upon.

Section 7.4 State and Federal Laws. Nothing in Section 7.0 Transfers shall be construed as to relieve any teachers/ancillary staff of their obligations to maintain certifications or staff development obligations required under state and federal laws and this Agreement.

8.0 Vacancies

Section 8.1 Definition of Temporary Vacancy. Any temporary vacancy shall mean a bargaining unit position held by a teacher/ancillary staff on a leave of absence or a position in which retirement/resignation notice is received by the District on June 1 or later of the preceding year. The Board shall not be required to post temporary vacancies.

Section 8.2 Filling Permanent Vacancies. In filling the permanent vacancies, the Board agrees to give first consideration to present staff members and to give due consideration to the professional background, qualifications, length of service, and other relevant factors of all applicants.

Section 8.21 Filling a Permanent Vacancy. Any permanent vacancy within the bargaining unit shall be posted electronically. No permanent vacancy shall be filled for at least three (3) business days. Any teacher who is interested in the posted position may apply electronically to the Human Resources department within those days. The district may post vacancies within the spring of each year in anticipation of any possible openings for the following school year. Such postings may indicate a range of grade levels and/or subject areas. It shall not be necessary to create multiple postings for identical positions, even when more than one identical vacancy needs to be filled. Teachers who may be interested in changing positions for the following school year should indicate on their intent form, and apply internally when the position becomes available. The administration must consider such requests prior to filling the vacant position(s) and any and all vacant position(s) for the following fall.

Section 8.3 Temporary Filling Vacancies. The Association recognizes that when any permanent vacancy occurs during the school year, it may be difficult to fill the position from applicants within the bargaining unit without undue disruption to the existing instructional program. If the Superintendent determines that the permanent vacancy should be filled on a temporary basis until the end of the current school year, he/she may do so.

Section 8.4 Notification of Resignation. Resignations shall be in accordance with Section 38.111 of Tenure Act.

Section 8.5 Teacher/Ancillary Staff Assignments. By July 20 of each year, a tentative schedule, including class loads where possible, shall be forwarded to the Association. An up-dated schedule shall be transmitted by the following August 15.

Section 8.6 Extra Duty Assignments. Extra duty assignments as defined in Sections 5.4 and 5.5 shall be at the discretion of the Board and shall not invoke tenure in the extra duty assignments irrespective of the number of years such annual appointments have been continued. To assist in planning, the Board shall notify an employee in a timely manner that the extra duty assignment shall not be made for the following school year.

9.0 Leave Policy

Section 9.1 Leave With Pay.

Regular, reliable and punctual attendance is an essential function of every assignment.

9.11 Accrued Days. Each ancillary staff/teacher shall be granted thirteen (13) leave days at the start of each school year or pro-rated at 1.3 days per month for ancillary staff/teachers starting after October 1 of any given year. Leave days shall not accrue while an ancillary staff/teacher is on leave under any provision of this section. All leave and accumulated accrued leave days shall discontinue upon termination of

employment. If an ancillary staff/teacher has five or fewer absences (District approved professional development, jury duty, and association leave are exceptions) then one additional accrued day will be added at the conclusion of the school year.

9.11(a) Unused Accrued Leave. Unused accrued leave shall be capped at one hundred twenty (120) days. Worker's Disability Compensation and any other salary continuation plan for which the Board makes payment shall be an offset to any accrued leave payments. Upon Michigan Public School Employees Retirement System retirement, the Board shall compensate the teacher/ancillary staff for all unused accrued days at the following rate: \$75.00 per day to be paid into the employee's 403(b) plan, 457(b) plan, or an off-schedule payment less the applicable employer's cost for FICA.

For teachers who have more than one hundred and twenty (120) accrued days as of August 1, 2025, the Board shall compensate the teacher/ancillary staff for all unused accrued days above one hundred and twenty (120) days at the following rates: \$75.00 per day to be paid into the employee's 403(b) plan, 457(b) plan, or an off-schedule payment less the applicable employer's cost for FICA. Employees with two hundred and twenty (220) or less accrued leave days as of August 1, 2025, shall receive this payment after October 1, 2025. Employees with over two hundred and twenty (220) accrued leave days as of August 1, 2025, will receive two payments, divided equally, after October 1, 2025, and October 1, 2026. Teacher/Ancillary staff must be employed by the District at the time of payment in order to be eligible to receive such payment. See example below.

On an annual basis, each teacher/ancillary staff whose unused accrued days total on hundred and twenty-one (121) or greater as of the last day of their contract in June, will be paid at the rate of \$75.00 per day to reduce their accrued bank to the 120-days maximum. Payment will be made into the employee's 403(b) plan, 457(b) plan, or an off-schedule payment less the applicable employer's cost of FICA. This payment will be made after October 1st of the following contract year.

Unused accrued days above sixty (60) may be paid upon request to any teacher/ancillary staff at a rate of \$50.00 per day upon completion of their previous contract year and remain an employee in good standing as of September 30th of the upcoming contract year. Employees who resign prior to September 30th are not eligible. Payment will be made after October 1st of that contract year and will be paid into the employee's 403(b) plan, 457(b) plan, or an off-schedule payment less the applicable employer's cost of FICA.

Any teacher/ancillary staff member that is laid off consistent with section 12.0 of this agreement, can be paid for all unused accrued days at a rate of \$60.00 per day during the first 12 months of the layoff to be paid into the employee's 403(b) plan, 457(b) plan, or an off-schedule payment less the applicable employer's cost for FICA. After 12 months, the laid-off teacher/ancillary staff member can be paid \$75.00 per day to be paid into the employees 403(b), 457(b) plan, or an off-schedule payment less the applicable employer's cost for FICA.

Employee A now has 133 accrued days for the 25-26 school year. The district pays Employee A \$75.00 per day for any days over 120 after the end of the 25-26 school year in the first pay after October 1, 2026. Employee A may elect to receive \$50.00 per accrued day up to sixty (60) accrued days if they remain an employee in good standing on September 30, 2026 for the 26-27 school year.

Example 2: Employee B has 210 accrued days as of August 1, 2025. Receives 13 leave days for the 25-26 school year, and now has 223 accrued days. The district pays Employee B \$75.00 a day for 90 days in one payment, October 1, 2025. Employee B now has 133 accrued days for

9.13(a) Disability leave days shall be used only for days certified by a doctor that a teacher/ancillary staff is disabled and then only to the extent that a teacher/ancillary staff has accumulated accrued leave days.

9.13(b) District Initiated Leave. In the event the District has a reasonable belief that an employee's present ability to perform essential job functions is or will be impaired by a medical condition or that s/he will pose a direct threat due to a medical condition, the District reserves the right to require such employee, by written notice, to be examined by a health care provider acceptable to the District, at the District's expense. Such employee shall have the right to obtain a second opinion and be examined by a doctor of their choice.

9.13(c) In the event the District has reason to question the need for a leave, or continuation of a leave, the District reserves the right to require an employee, by written notice, to be examined by a healthcare professional acceptable to the District, at the District's expense. If a teacher was not evaluated, their previous year’s score shall be used.

Not later than November 1 of each year, the Board shall provide the Association with a current seniority list. No leave or layoff shall be considered to break continuous service nor to add to seniority accrual. The Board may change the designated representative(s) by giving written notice to the Association President.

14.15 Designated Representatives of Association. Designated representative(s) of the Association shall mean the grievance chairperson of the Association as certified by the Association President. The Association President may change the designated representative(s) by giving written notice to the Superintendent.

14.16 Just Cause. No non-probationary teacher/ancillary staff shall be discharged or otherwise disciplined without just cause. The provisions of this paragraph shall exclude: (1) the failure to re-employ any teacher/ancillary staff to a position on the extra-curricular schedule, and (2) the discipline or failure to re-employ any probationary teacher/ancillary staff.

14.17 Progressive Discipline. The Board agrees to follow a policy of progressive discipline with respect to teacher/ancillary staff which, unless the seriousness of the offense warrants accelerated discipline, includes verbal warning, written warning, verbal reprimand, written reprimand, suspension with pay, suspension without pay, with discharge being used only as a final and last resort.

Section 14.2 Exclusions.

14.21 Grievable Matters. The following matters are grievable up to and including Level Three - Board, but not to Level Four - Arbitration:

14.21(a) The termination of services of or failure to re-employ any probationary teacher/ancillary staff; however, written reason(s) for failure to re-employ shall be submitted to the teacher/ancillary staff and the option of a hearing before the Board shall be guaranteed.

14.21(b) The termination of services or failure to re-employ any teacher/ancillary staff to a position on the extra-curricular schedule; however, written reason(s) for such termination or failure to re-employ shall be submitted to the teacher/ancillary staff.

14.21(c) Board of Education Policy

14.22 Non-Grievable Matters. The following matters are not the basis of any grievance filed under procedure(s) outlined in this section.

14.22(a) It is expressly understood that this grievance procedure shall not apply to those areas in which the Tenure Act, Title IX or Equal Opportunity Employment Commission prescribes a procedure or authorizes a remedy.

14.22(b) No dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of Section 2.15(e) shall be subject to the grievance procedure.

14.22(c) Disputes between teacher(s)/ancillary staff or beneficiaries of teacher(s)/ancillary staff and any insurance company.

Section 14.3 Purposes.

14.31 Purpose of Grievance Procedure. The purpose of this procedure is to secure equitable solutions at the lowest possible level.

14.32 Early Settlement. Nothing contained herein shall limit the parties from an informal early settlement providing the settlement is not inconsistent with the terms of this Agreement.

14.33 Individual Rights. Nothing contained herein shall be construed as limiting the right of any individual teacher/ancillary staff to present grievances to school officials and/or the Board and to have those grievances adjusted without the intervention of the Association, except that the adjustment shall not be inconsistent with this Agreement and the Association shall be given the opportunity to be represented at such agreement.

14.34 Withdrawal of Grievance. A grievance may be withdrawn at any level without prejudice.

14.35 Reprisal. No reprisals of any kind shall be taken by or against any party or any participant in the grievance procedure by reason of such participation.

14.36 Grievance Material. All documents, communications and records dealing with a grievance shall be filed separately from the personnel files of the participants to the extent permitted by state or federal laws.

14.37 Grievance Forms. Forms for filing and processing grievances shall be designed by the Superintendent and the Association Representative, shall be prepared by the Superintendent's office, and shall be given appropriate distribution to facilitate the operation of the grievance procedure.

14.38 Written Decision. Both the grievance discussed and the decision rendered at Level One shall be submitted in writing upon request of either party. Decisions rendered at all other Levels shall be in writing and shall be transmitted to the designated representative(s).

14.39 Time Limits. Since it is important that grievances be processed as rapidly as possible, the number of days indicated in each level shall be considered a maximum and every effort shall be made to expedite the process. The time limits specified may be extended by mutual agreement expressed in written form. In the event a grievance is filed on or after June 1 which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so the grievance procedure may be exhausted as soon as is practicable.

Section 14.4 Procedures.

14.41 Level One - Immediate Supervisor. If an Association Representative is not present at the Level One meeting, the Principal shall provide written notice of the filing of a grievance and the Level One Decision to the Designated Building Representative of the Association within five (5) days of the Level One meeting.

The aggrieved shall discuss the complaint with his/her immediate supervisor or principal(s) within thirty (30) days of occurrence or discovery thereof.

14.42 Level Two - Superintendent. If an Association Representative is not present at the Level Two meeting, the Superintendent shall provide the Designated Building Representative with a copy of the Level Two Decision at the same time and manner as the aggrieved.

Should the aggrieved be unsatisfied at Level One or, if no decision is rendered within ten (10) days after presentation of the grievance, the aggrieved may proceed by filing the written grievance with the Superintendent within fifteen (15) days after receipt of the answer at Level One. Within fifteen (15) days from the receipt of the grievance by the Superintendent, he/she shall render a decision as to the solution.

14.43 Level Three - Board. If an Association Representative is not present at the Level Three meeting, the Board shall provide the Designated Building Representative with a copy of the Level Three Decision at the same time and manner as the aggrieved.

Should the aggrieved be unsatisfied at Level Two or if no decision is rendered within fifteen (15) days, the aggrieved may proceed by filing the written grievance along with the decisions from prior levels with the Board's designated representative within ten (10) days. The Board may hold hearings thereon or otherwise investigate the grievance, and shall render its decision in writing within twenty (20) days. Failure of the Board to act within the timeframe shall be considered to be a finding favorable to the Association and the relief sought shall be granted as soon as reasonably possible. However, with the expressed written consent of the Association, the Board may extend the timeline while they investigate the grievance.

14.44 Level Four - Arbitration. Should the aggrieved be unsatisfied at Level Three or if no decision is rendered by the Board within the limit of Level Three meeting, the Association may submit the grievance to arbitration within thirty (30) calendar days from the date of receipt of Board's decision.

14.44(a) Arbitration Panel. A request by either party for a list of arbitrators shall be sent to the American Arbitration Association (AAA) within thirty (30) calendar days after the time limit in Level Three. The parties shall be bound by the rules and procedures of the AAA.

14.44(b) Arbitration Hearing. The arbitrator shall confer with the parties and hold hearings promptly. The arbitrator's decision shall be in writing and shall set forth his/her finding of fact, reasoning and conclusions on the issues submitted.

14.44(c) Arbitrator's Decision. The decision of the arbitrator shall be final and conclusive and binding upon employees, the Board, and the Association; any lawful decision of the arbitrator shall be placed into effect forthwith, subject to the right of the Board or the Association to judicial review.

14.45 Arbitrator's Powers. An arbitrator shall have no power to:

14.45(a) establish salary scales; this does not preclude a determination of correct placement on the established salary schedule;

14.45(b) alter, modify, add to, or subtract from the provisions of this Agreement nor deal with any matter of the content of ancillary staff evaluation(s);

14.45(c) hear any grievance previously barred from the scope of the grievance procedure.

14.45(d) In the event that a case is appealed to the arbitrator on which he/she has no power to rule, it shall be referred back to the parties without a decision or recommendation on its merits.

14.45(e) More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent and then only if they are of similar nature.

14.46 Costs of Arbitration. The cost of the arbitrator shall be borne equally by the parties except each party shall assume its own cost for representation, including the expense of witnesses.

All preparation, filing, presentation or consideration of grievances shall be held at times other than when a teacher/ancillary staff or a participating Association representative is to be at his/her assigned duty stations. However, time before or after the student day and preparation periods may be used except when required staff meetings have been called. Up to five (5) teachers/ancillary staff may be excused with pay when called to testify at an arbitration hearing. Every effort shall be made to have witnesses testify at times other than when they are to be at their assigned duty stations.

15.0 Agreements Contrary to Law

Section 16.1 Invalid Provisions. If any provision of this Agreement or any application of this Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

16.0 Promulgation

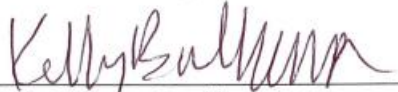

Section 17.1 Distribution of Agreement. Copies of this Agreement shall be prepared at the expense of the Board and be presented to all teachers/ancillary staff now or hereafter employed by the Board and forty (40) copies shall be presented to the Association,

***Rates rounded to nearest ten dollars**

Schedule B – Notes

- (a) Amounts indicated on the compensation schedules shall be based on \$34,000 in 2025-2026, \$34,000 in 2026-2027 and \$34,000 in 2027-2028.
- (b) Schedule B pay levels will correspond to above compensation schedules by year with pay levels granted per year.
- (c) Amounts indicated are full compensation for additional responsibilities and time beyond requirements for other teaching assignments as indicated in the main text of the Agreement.
- (d) Titles/activities/remuneration not listed may be added at the Board's discretion. However, the amount of compensation shall be mutually agreed to by the Board and the Association.
- (e) Head or sole coaching assignments include times for practice and competition according to state and league regulations and scheduling and include any additional invitational, district, regional, or state competitions upon which the coach and Athletic Director mutually agree.
- (f) Assistant or subordinate coaching assignments include those duties and responsibilities as ordered by the head coach subject to review by the Athletic Director.
- (g) "Years of extra duty experience" used for the compensation schedule shall be defined as years worked in a comparable Schedule B assignment. For coaching experience, it shall be years of coaching in a comparable sport regardless of the level of assignment (head, assistant, JV, etc.) or whether in a girls or boys sport. Up to six (6) years of experience shall be credited for an assignment in an activity in another public school district and credit for experience in excess of six (6) years shall be at the Board's discretion.
- (h) After two (2) weeks of the scheduled starting time of each sport the Athletic Director and respective coach shall determine if there are sufficient participants to justify the continuation of that sport. If the sport is to be discontinued, the coach shall receive an appropriately pro-rated salary.
- (i) Any Schedule B position left unfilled by a bargaining unit member may be filled by the Board for an amount not to exceed the compensation schedule.
- (j) With approval of the superintendent and CEA, members may voluntarily split (as determined by the members) the percentage of remuneration received in Schedule B with one or more other members when sharing a Schedule B position. All payments shall be processed through normal payroll procedures.

Schedule C – Benefits

The option for all employees eligible for medical plan benefits will be the MESSA ABC Plan 1.

Annually on January 1, the District's monthly contributions shall be limited to 1/12th of the annual amount established by the State of Michigan Department of Treasury for the respective calendar year. Amounts for healthcare costs exceeding the Board contributions are the responsibility of the enrolled employee and will be payroll deducted. Payroll deduction shall be available for all additional programs as mutually agreed.

The Association shall determine the plans to be offered and the Board will negotiate with the Association when choosing the level of benefits and the carrier(s) of the insurance programs and the Board shall be the policyholder of such plans as required by the Revised School Code. The District will allow an annual reconsideration of the insurance carrier and plans offered so long as the Association provides written notice of such no later than October 1 of each year. Should the parties decide to make a change to the carrier or plans offered, the Association may request a reopener for the sole purpose of modifying the plans offered and any modification or change needs to be mutually agreed upon by the parties no later than November 1 of each year. There shall be no resulting increase to the Board's contribution levels as a result of the reopener.

An employee on an unpaid leave of absence shall have such fringe benefits as are available to the extent allowed by the carrier, provided said employee reimburses the District the cost of the benefits. An employee on an unpaid leave under the Family and Medical Leave Act shall be entitled to paid insurance benefits as provided by the law.

 - (a) In the event a teacher/ancillary staff is terminated or resigns during the school year, the insurance shall continue for one (1) month following the month of termination of employment.
 - (b) A teacher/ancillary staff who is hired with an effective first work day after the first required work day of the school year, shall be entitled to appropriately pro-rated fringe benefits.

6. The Board, by payment of the premium required to provide the coverage set forth herein, shall be relieved from all liability with respect to the benefits provided by the insurance company. The failure of an insurance company to provide any of the benefits for which it has contracted, for any reasons, shall not result in any liability to the Board or to the Association, nor shall such failure be considered breach of any obligation by either of the two parties to this Agreement.
7. Disputes between teacher(s)/ancillary staff or beneficiaries of teacher(s)/ancillary staff and any insurance company shall not be subject to the Grievance Procedure established in this Agreement.
8. The CEA and the Board shall work toward controlling health care costs.
9. The Board and the CEA agree to implement the current district's Section 125 Options plan.

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

BENEFITS & PROTECTIONS

ELIGIBILITY REQUIREMENTS

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.
