It is the mission of Coopersville Area Public Schools to inspire all students to embrace a life-long love of learning, to achieve their goals, and to be compassionate citizens who contribute to the global community.

**OUR MISSION**

**INITIATIVE 1**

Increase the opportunities for parental/community involvement in CAPS.

- Expand partnerships with CAPS among parents and community members to enhance learning experiences for our students.
- Initiate specific outreach resources to provide support for at-risk families and students.
- Refine and enhance communication methods with the greater community.

**INITIATIVE 2**

Enhance the effectiveness and efficiency of CAPS infrastructure.

- Determine funding source and timelines for classroom technology upgrades and training.
- Assess student safety needs and revise the district emergency operation plan.
- Complete final revisions to the curriculum review handbook.

**INITIATIVE 3**

Continue improving and enhancing CAPS students’ learning experience.

- Implement continued strategies to support students in early childhood literacy (K-3).
- Refine the MTSS model to support students’ academic and behavioral needs in our District.
- Work to develop strategies for vertical pre-K – 12th grade alignment.

**INITIATIVE 4**

Administrators and supervisors provide increased learning opportunities for staff to grow their skills and improve district systems to support student learning.

- Focused social-emotional training for all staff to support students.
- Refine and implement HR processes to establish common hiring, onboarding, training, and skill development of employees.
- Refine and implement processes to improve the employee recruitment systems.
